

# Beauty-Commerce Website Demo

Public-safe proof pattern for product education, lead capture, live selling, and owned growth.

# Demo Pattern

This deck uses anonymized, public-safe patterns from a recent beauty-commerce build.

<b>Product Education</b>	Help buyers understand categories, benefits, routines, and next steps before they message or purchase.
<b>Live Hub</b>	Use launch pages, event prompts, product walkthroughs, and creator-led selling moments to keep traffic owned.
<b>Admin View</b>	Organize orders, content, lead notes, and campaign tasks in one readable command center.
<b>AI Help</b>	Use chatbot or receptionist prompts for common questions while keeping escalation human.

Fiverr buyers: orders, payment, and official messages stay on Fiverr. No private client data is included in this deck.

# Reusable For

AIXYZ can adapt the same structure for different small-business categories.

<b>Beauty + Wellness</b>	Salons, spas, skincare sellers, hair brands, body care, clinics, and mobile service providers.
<b>Creators</b>	Coaches, educators, speakers, authors, and influencers who need productized offers.
<b>Local Services</b>	Contractors, event teams, churches, nonprofits, and service providers that need better lead flow.

Fiverr buyers: orders, payment, and official messages stay on Fiverr. No private client data is included in this deck.
